Your appointment with The Small Animal Surgeon is on

..... atam/pm

Generally, we require you to withhold food and water on the day of consultation. There are situations when this is inadvisable and you should contact The Small Animal Surgeon for specific instructions if you are in any doubt. Most consultations take one hour so you should allow plenty of time.

The Small Animal Surgeon is located at 365 Great South Road, Papakura, in the premises of Franklin Vets, at the corner of Beach Road and Great South Road, less than 1 km from the Southern Motorway off-ramps for Papakura / Karaka.
